SECTION 5: NON-DIVERSION AGREEMENT

This agreement is between **Vivalicious Beauty Supply Ltd.** ("Vivalicious") and the applicant named in Section 1 ("the Professional"). Professional brands sell their products only through authorized salons and retailers, and they hold Vivalicious responsible for where our professional-priced products end up. By signing, the Professional agrees to the following.

1. **Definitions.** "Professional Products" means any product bought from Vivalicious at professional pricing. "Diversion" means selling, transferring or supplying Professional Products to anyone outside the permitted uses in clause 2.
2. **Permitted uses.** The Professional may only use Professional Products in services performed on clients, and resell Professional Products at retail, in person, to the Professional's own clients at the Professional's salon or place of business.
3. **Prohibited activities.** The Professional will not, directly or through anyone else: (a) sell or list Professional Products on any online marketplace or website, including Amazon, eBay, Walmart Marketplace, Etsy, Poshmark, Facebook Marketplace, Kijiji or social media "shops"; (b) sell or supply Professional Products to drugstores, grocery or discount stores, distributors, wholesalers or any other retailer or reseller; (c) buy Professional Products for, or on behalf of, anyone who is not an approved Vivalicious professional account holder; (d) remove, alter or cover batch codes, lot numbers, UPCs, labels or packaging; or (e) sell Professional Products below any minimum advertised price set by the manufacturer.
4. **Records and cooperation.** The Professional will keep reasonable records of Professional Products bought and sold, and will cooperate with any reasonable enquiry by Vivalicious or a manufacturer about possible Diversion.
5. **Consequences of a breach.** If Vivalicious reasonably believes the Professional has diverted products, Vivalicious may, in addition to any other rights it has: suspend or permanently cancel the Professional's account and pricing; invoice the Professional for the difference between the professional price paid and Vivalicious's regular retail price on the diverted products, payable within 30 days; and share information about the Diversion with the affected manufacturers and distributors.
6. **Indemnity.** The Professional will indemnify Vivalicious for losses, penalties or claims, including reasonable legal costs, that result from the Professional's breach of this agreement, including any loss of Vivalicious's authorization to carry a brand.
7. **Term.** This agreement starts when signed and continues while the account is open. Clauses 3 to 6 continue to apply to Professional Products bought before the account closes.
8. **Changes.** Vivalicious may update these terms with 30 days' written notice to the email in Section 1. Continued use of professional pricing after that means the Professional accepts the update.
9. **General.** This agreement is governed by the laws of British Columbia. If any part is found unenforceable, the rest remains in effect. This application and agreement form the entire agreement about professional pricing.
